To Whom It May Concern:

I am writing to inform you that we incorrectly reported your PAC's contribution to the Federal Election Commission.

Unfortunately we were misinformed by our Washington, D.C. fundraising consultant that your organization was a partnership and that the contribution was from one single partner on his account. We reported this contribution under line 11a(ii) as an individual contribution from Barry Strauss.

Our fundraiser has recently contacted us to inform us that we should have reported this contribution under line 11 (c) as a PAC contribution. We are filing an amendment with the Federal Election Commission on this matter.

We apologize for any inconvenience this may have caused your organization.

Sincerely,

A handwritten signature in cursive script, appearing to read "Michelle Prosser".
